Vision & Mission

Vision

The determination of students, fosters great minds and ideas, strengthening young ambitious minds in our society. We believe that partnership with us enables universities to lead their sectors with the most highly achieved students and help the Universities achieve their global international ambition

Mission

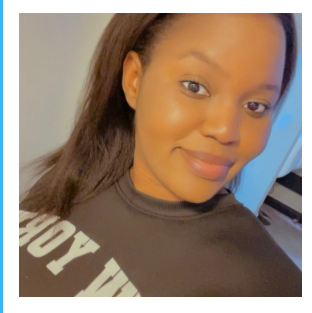

Every year, prospective international students face the most complex education and career choices, while many universities are in competition and ambition to make their environment become more international in an everyday different recruitment environment.

We at Overseas Connect provide exquisite services to our prospective students and universities and wish to bring them together in a one physical environment together. We offer students and Universities guidance in the whole admission process, selection of programs and personal support towards the embassy whilst seeking student Visas that ensure each student can fulfill their education and career potential.

Approach and model

Every partnership to us is important as we would want to see Universities ambitions fully granted. Partnering with us, we ensure collaborative support and close communicative relationship with the Universities ensuring the morals and values of your Institution are met, whilst focusing on the student success as well. We brag to be communicative, open and ambitious. As the demand for international education rises, we fully acknowledge that major recruitment initiatives are nothing without risk. But the relief is that Partnership with us reduces that risk, as we apply our resources and experience to protect universities' budgets and reputations.

Our Success Stories

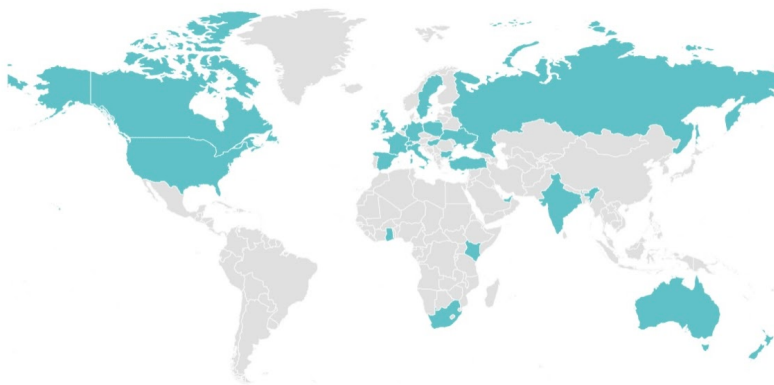

I applied to many universities but failed to get admission. I was passing Posta when i saw a sign post of Overseas Connect. I went to their office skeptically but i was impressed with the services they offer. I worked with Ms Diana , he was very easy to reach, he guided me through the tough process with ease. i was able to get admission very quickly, he helped me with the visa applications and also visa tutoring! I am forever grateful to Overseas Connect.

Daniel

I heard about Overseas Connect, through a friend. My friend gave me a USA contact, upon calling the number i talked to Ms Stephanie, She explained to me the process of finding a school that is within my budget, she helped me by explaining to me the process of applying to schools and being offered admissions. she is very thorough, responds to my questions and was very professional. i am forever grateful to Overseas Connect. Thank you
